Hi Mathew,

Acute toxicity review for this action is still pending. Also, as per your email dated 3/29/2022, we are waiting to receive the updated data matrix for this product. So the current PRIA due date of 4/21/2022 for this action will have to be renegotiated to 7/21/2022( 3more months). If you agree to this new proposed PRIA due date, please reply to this email with the following details

Reg#(82633-TI)

Current PRIA due date(4/21/2022)

Proposed PRIA due date(7/21/2022) for this action.

Kindly let me know if you have any questions.

Thank you,

Manju
